A GUIDE TO THE STATISTICS

The player statistics in this album refer to Premier League appearances only and therefore do not include appearances in cup or other competitions. All player statistics, unless stated otherwise, refer to a player's entire Premier League career. All player and team statistics are correct up until October 9th 2018. Player positions are based on regular Premier League selections and may differ from game to game based on manager discretion. Personal information and statistics are from the official Premier League website.

EDITOR'S NOTE

The final date for compiling this album was October 9th 2018. All reasonable efforts were made to ensure that the data was accurate at that time. Player transfers and managerial changes were of course beyond our control. The statistics contained in this album are © Topps Europe Limited and may not be reproduced in whole or in part without written permission. All rights reserved. It's a great pleasure to welcome you to the 26th edition of Merlin's Official Premier League Sticker Collection from Topps. It is an honour for me, not only to play in this amazing league, but to be among the many legendary players who have featured in Merlin's official sticker collection over the years.

As a player, the Premier League is a great place for me to enjoy the game I love; it is one of the most entertaining and competitive leagues in the world and includes some of the biggest clubs, packed with star players from across the globe. The fans too are absolutely incredible and among the most passionate of any sport I've witnessed; packing stadiums week in, week out, and contributing to massive TV audiences worldwide. They have made my time in the Premier League very special and I hope I can give them more reasons to celebrate in the future.

This season has started well for myself and my club, Manchester City. We are aiming to win consecutive Premier League titles following an incredible campaign last season but we face strong opposition with the likes of Liverpool FC and Tottenham Hotspur aiming for their first Premier League titles and former winners Arsenal, Chelsea and Manchester United all hoping to become champions once again. We know it won't be easy, but it'll be a challenge and the whole team is up to it - we want to win another Premier League title this season. We will give our very best to keep growing and bring our supporters a new reason to celebrate.

I wish all the players and fans good luck for the season ahead and hope you enjoy collecting all the stars from the world's most exciting football league!
